Dr. Michael Plourde  
District Administrator

Dear WUHS Community,

As we close an excellent 2023-2024 school year, I want to thank and congratulate our class of 2024. It has been a joy for all of us to watch them grow into the young men and women they have become. Great things are ahead for this group, and we are honored to have been given the opportunity to teach them.

Our Senior Awards Night was held on May 29th, and this was a ceremony to recognize the great achievements of our students in academics, athletics, and the arts, as well as character and

citizenship. We sincerely appreciate our alumni and community partners who bestowed awards and scholarships on our scholars. Now, we look forward to honoring our entire graduating class at our commencement on June 9th at 11:00 a.m. in the field house.

Big things are coming in the fall. We're adding PACC courses (college-credit bearing classes), a new S.T.A.R. Leadership in Action course, and more American Sign Language courses. There's upgrades coming for our online curriculum and website. In August, we're hosting a regional conference, along with Otus, to collaborate with other districts and share best instructional and assessment practices of standards-based grading. On top of that, we have some new programs and events in the planning stages through our Community Outreach Program. It's an exciting time to be a Panther!

We are working to increase our community partnerships. If your business or organization is interested in starting a relationship with us, please feel welcome to contact me or our new Community Outreach Coordinator, Ryan Gartner.

If you have any questions or need assistance over the summer, please contact our main office. On behalf of our staff and the Board of Education, we hope you have a safe and enjoyable summer.

Your partner in education,

*Michael Plourde*

# A MESSAGE FROM THE PRINCIPAL

**Dear Students, Parents and Staff,**

As we reach the end of another remarkable school year, I want to take a moment to reflect on our achievements, express my gratitude, and look ahead to the exciting future that awaits us.

## **Achievements and Highlights**

This year has been filled with numerous accomplishments and achievements. Our staff, students and families have embraced Standards Based learning and grading which has prepared ALL students for future success. Our students have excelled in academics, sports, arts, and community service. Our athletic teams have competed at all levels and are working hard for their next season. Our arts and music programs have showcased incredible talent through various exhibitions and performances.

## **Graduating Class of 2024**

To our seniors, the Class of 2024, congratulations on reaching this significant milestone! Your hard work, dedication, and resilience have brought you to this momentous occasion. As you prepare to embark on new journeys, whether it be higher education, entering the workforce, or other endeavors, know that you carry with you the skills, knowledge, and values that will help you succeed. We are confident that you will continue to make us proud and positively impact the world.

## **Gratitude**

I would like to extend my heartfelt thanks to our teachers and staff, whose unwavering commitment to our students' education and well-being is the cornerstone of our success. Your passion, creativity, and perseverance have made a lasting impact on our students and our Wilmot school community. To our parents and guardians, thank you for your continuous support and partnership. Your involvement and encouragement have been instrumental in our students' achievements.

## **Looking Ahead**

As we look forward to the next school year, we are excited about the opportunities and advancements that lie ahead. With the change of schedule, we have added Homeroom and WARP everyday into our schedule. This change will allow students to build relationships with teachers and receive the needed academic support.

## **Summer Break**

I encourage all students to take this summer to relax, recharge, and explore new interests. Whether through reading, travel, or spending time with family and friends, use this time to refresh and prepare for the challenges and opportunities of the coming year.

## **Closing Thoughts**

In closing, I want to express how proud I am of our entire school community. This year has been one of growth, resilience, and remarkable achievements. Together, we have overcome challenges and celebrated successes, and I am confident that we will continue to build on this foundation in the years to come.

Have a wonderful summer break, and I look forward to seeing you all in the new school year.

Warmest regards,  
Robert Kreil  
Principal

# END OF YEAR - DISCIPLINE REPORT

Dear Wilmot Families,

I hope this letter finds you well as summer quickly approaches. As we near the end of the school year, I wanted to take a moment to update you on some exciting developments regarding our approach to discipline and the progress we've made in creating a positive learning environment for all students.

Over the past year, we have been diligently working to refine our disciplinary processes to better meet the needs of our students and foster a culture of responsibility and accountability within our school community. One significant change we have implemented is the adoption of a more classroom-based discipline flow chart.

By empowering classroom teachers to take the lead in managing behavior and providing support to students, we aim to create a more nurturing and effective learning environment where students can thrive.

I am pleased to report that as a result of these efforts, we have seen a notable decrease in both referrals and disciplinary offenses compared to the previous year.

In addition to the classroom-based discipline approach, we have also introduced the Smart Pass system to help streamline hallway traffic and enhance accountability for hall passes. This innovative technology has proven to be instrumental in maintaining a safe and orderly school environment, allowing students to move between classes efficiently while ensuring compliance with school policies.

As we continue to build upon these initiatives and strive for continuous improvement, I want to express my sincere gratitude to our families for your ongoing support and partnership in promoting a positive school climate.

Have a wonderful summer,

Dan Bender

Associate Principal

**Discipline Data as of 5/16/24:****Total Referrals:**

Dear Families,

We're thrilled to share some fantastic news with you: our attendance rates for the 2nd semester have shown remarkable improvement compared to last year, and we couldn't have done it without your support and collaboration!

Overall attendance for the 2nd semester was a higher percentage from last year. The attendance percentage was higher for 15 out of 16 weeks ranging from 1%-6%.

Here are some key updates and adjustments we've made that have contributed to this positive change:

- 1. Adjusting Parental Excused Absences:** We've transitioned from categorizing absences solely as "illness" to a more inclusive "parental excused" category. This change empowers families to take a more active role in managing their child's attendance and ensures that absences are appropriately accounted for.
- 2. Collaboration with Students and Families:** We've been working closely with both students and families to identify and address any attendance challenges they may be facing. Your feedback and partnership have been invaluable in creating a supportive environment where attendance is prioritized.
- 3. Attendance Plans:** We've implemented personalized attendance plans for students who may need additional support in maintaining regular attendance. These plans set clear expectations and goals, helping students stay on track and engaged in their education.
- 4. Positive Incentives:** To recognize and reward improved attendance, we've introduced a variety of exciting incentives, including Pizza Bonanzas, Milwaukee Brewer games, Culvers, and more! These incentives not only motivate students to prioritize attendance but also create opportunities for fun and memorable experiences.

We're incredibly proud of the progress we've made together and are committed to continuing our efforts to support every student in achieving their full potential. Thank you for your continued partnership and involvement in your child's education. Together, we can ensure that every student feels supported and empowered to succeed.

Have a great summer!

## Summer Safety Reminders

### Beach Safety:

- Watch the weather and get out of the water at the first sign of lightning or the rumble of thunder. Stay indoors and away from water for 30 minutes after the last lightning flashes or after the thunder.
- Only swim in designated swimming areas. Obey all instructions from lifeguards.
- Children, inexperienced swimmers, and all boaters should wear properly fitted U.S. Coast Guard-approved life jackets.
- Remember to apply sunscreen when you are spending time outdoors.

### Camping Safety:

- Always pack a first aid kit.
- Always share your travel plans and locations with a family member, neighbor or friend.
- Bring nutrition, food, and water.

### Picnic/grilling safety:

- Always wash your hands before and after meal preparation.
- Sanitize your work station and utensils.
- Do not keep food out in the sun for extended periods of time as bacteria can build and make you sick.
- If you are going to cook on the grill, ensure that all food is cooked to the appropriate temperature.
- Never use grills indoors. Keep the grill out in the open, away from the house, deck, tree branches or anything that can catch fire.

## Participating Universities

You could be directly admitted to one or all of these participating Universities and/or branch campuses:

UW-Green Bay  
UW-Milwaukee  
UW-Oshkosh  
UW-Parkside  
UW-Platteville  
UW-River Falls  
UW-Stevens Point  
UW-Stout

## Frequently Asked Questions

### How do I get directly admitted?

You must be enrolled in a participating high school and agree to participate in the program. If you are on track to complete the credits required for admission, you will receive an admission offer through Direct Admit Wisconsin based on your unweighted GPA at the end of your junior year.

### What is the deadline to opt in/opt out?

Students and families in the Class of 2025 must agree to participate by June 3, 2024. Ask your high school counselor how to participate.

### Do I need to submit my ACT or SAT scores to participate in Direct Admit Wisconsin?

No, test scores are not part of the Direct Admit Wisconsin admission criteria. However, a student may need to submit test scores to their selected university for scholarships or course placement.

### What happens if I am not direct admitted to my UW university of interest, or I want to apply to a non-participating university?

Students can and should apply through the traditional online application process for any UW university they want to attend that is not listed in the Direct Admit letter. The application allows students to provide more information about their academic potential, participation in activities, and life circumstances. Some UW universities accept the Common App.

### When will students receive their Direct Admit Wisconsin offer of admission?

Direct Admit Wisconsin offer letters will be sent out in July 2024.

### Is there a deadline to accept my offer?

Yes. You must complete the Direct Admit form by May 1, 2025.

Learn more about Direct Admit Wisconsin and how you can participate at [wisconsin.edu/direct-admissions](https://wisconsin.edu/direct-admissions).

## **Finish Your FAFSA! Start Your Future!**

The FAFSA delays have caused considerable uncertainty for students and families. However, the majority of the technical issues have been resolved, and there's still time to apply for student aid and for students to pursue the career of their dreams!

The Fair Opportunity Project, a Wisconsin-based and Nationally recognized organization with grant support from Acendium Education Group is offering free, one-on-one FAFSA help to students, so they can easily navigate the application process and unlock financial resources.

On average, a FAFSA video appointment with a Fair Opportunity Project volunteer takes just 25 minutes and is available on weekdays and the weekend. Fair Opp FAFSA volunteers can also answer questions via phone call or text. Bilingual support is also available.

A 25-minute coaching session with a Fair Opportunity Project volunteer can open the door to a **LIFETIME** of opportunity.

*"College graduates earn significantly more than those without a degree, boosting their earning potential and contributing to Wisconsin's economic well-being,"* said Carole Trone, Fair Opportunity Project executive director.

Visit [finishyourfafsa.org](https://finishyourfafsa.org) to schedule a no-cost appointment with a trained volunteer from Fair Opp.

WILMOT UNION  
HIGH SCHOOL

Hello, my name is Ryan Gartner and I am a proud alumni (Class of 2012) of Wilmot Union High School. I grew up in Twin Lakes WI, and also attended Randall School. Before Wilmot, I built an impactful career in both sports and recreation. I served as the Sports Director at Great Lakes Naval Base for four years, demonstrating my leadership and passion for athletics and recreation. Following this, I transitioned into the field of education, spending two years as a Special Education Teacher at Wilmot.

I am deeply involved in coaching and extracurricular activities. I am the Head Wrestling Coach, an Assistant Football Coach, and an Assistant Golf Coach.

Additionally, I served as a TEAM 9 advisor, further contributing to the development of students and Wilmot. My commitment to fostering both academic and athletic excellence in the youth is a testament to my dedication and passion for making a difference in this community.

I look forward to working with everyone involved and can't wait to see Wilmot thrive even more!
